You will arrive at our beautiful accommodation in Ubud. Check-in at the resort is from 2:00 PM onwards.

If you prefer to arrive a day or two earlier, we can assist you to book an extra night.

Please ensure that you arrive in Ubud with sufficient time to be ready for our Opening Ceremony at 5pm, bearing in mind that it could take up to an hour to exit the airport and up to 2 hours to travel to the hotel in Ubud from Denpasar International Airport.

On the first evening, we will take part in a beautiful Balinese Welcome Ceremony at 5:00 PM and then enjoy our first group dinner together at 7:00 PM at the resort (included in the retreat cost).

DAY 2 | WEDNESDAY, 12th NOVEMBER

Meals: Breakfast

We will start this beautiful day with a delicious breakfast at 8:00 AM.

After a nourishing breakfast, we will participate in an Alchemy Circle, where we meditate, sing mantras, connect with our Divinity/Soul and clear beliefs, old stories about ourselves and work on the base chakra where we ground ourselves after our International flight. We focus on Gratitude. (No previous is necessary for any of the activities, you will be guided every step of the way).

At 10am we depart for the Pyramids of Chi, where we will enjoy a beautiful Ancient Sound Healing Ceremony.

The rhythmic frequencies produced by the ancient instruments propel you into a deep meditative state, connecting to the chakra system and allowing our bodies to feel, heal, relax, and release.

After the session at 1:00 PM, we will stop at a restaurant to have lunch. The lunch today is at your leisure (*not included in the retreat cost*).

The rest of the day is free time. You can swim, relax, have a massage, or explore Ubud at your leisure.

Dinner is at your own expense and you can choose to eat at the hotel or in Ubud.

DAY 3 | THURSDAY, 13th NOVEMBER

Meals: Breakfast & Lunch

We will start the day with a delicious breakfast at 7.30AM at the resort.

At 8.30am we will be collected to go to a sacred Water Temple surrounded by ancient shrines and crystal clear water fed by natural springs. The Balinese believe that bathing in these waters is a very healing and spiritual experience, and many important rituals are held here.

The Balinese purification ceremony known as “Melukat” holds an important place in the spiritual and cultural fabric of the Island of the Gods. Melukat involves a series of ritual practices that aim to purify the body, mind, and soul.

Participants gather at a sacred water source, such as a waterfall, river, or temple pond, where they perform prayers, offerings, and ritual bathing under the guidance of a priest.

Melukat is believed to cleanse an individual of negative energy, impurities, and spiritual blockages. It is a transformative experience that not only refreshes the body but also renews your spiritual connection.

(Please note - women who are menstruating are unable to enter temples, they will meet the others later at the lunch and swing activity).

Following the water ceremony, we will head to the amazing Tegalallang Rice Terraces as we overlook the breathtaking scenery as we are having our lunch at 1:00PM. Lunch is for your own expense

We return to the hotel and the rest of the day is free for you to do whatever makes your heart sing.

Dinner for your own expense

In the afternoon at 4.30pm we will be collected to attend a Fire Ceremony. Considered part of the five elements, fire represents transformation.

Attending this Balinese fire blessing offers an opportunity to offer negative thoughts or unwanted energy into the fire to be purified or transformed into more positive energy. This healing ritual is known to be effective in helping one let go of unwanted aspects in their lives and similarly, bring in and manifest new intentions and new life.

The ritual begins with meditation in the Agni Hotra ceremonial fire space, while listening to the hotri(s), ceremony priest or facilitator as he rings the Balinese bell and chants Sanskrit mantras to evoke the Divine and blessings of health and abundance. Following the lighting of the fire, you are invited to participate by making offerings of grains, lentils and other foods into the fire. A silent meditation is shared toward the end to compliment this ancient ritual.

Dinner is included, and we will be enjoying this at the Five Elements resort after the Fire Ceremony
